Live Christmas Tree Disposal

The Lions Club will again be accepting live Christmas trees in the Lions Club Park in the lower lot. Trees must be free of netting, other wrapping, and decorations. Please no other yard waste

This is for Christiana residents only!

As the winter months are upon us, remember that all sidewalks must be kept free of snow and ice.

- Snow must be removed within 24 hours of the end of the snow event. If you are unable to remove the ice, you are required to apply an ice melt, sand or similar abrasive to prevent people from falling.
- Due to limited street parking, we ask that residents place the snow they shovel while clearing their vehicles onto their yard, rather than into the street behind or in front of vehicles.
- It is illegal to throw snow or ice in any public roadway.
- Fire hydrants are also a concern when shoveling snow. Make sure to keep access to them clear at all times.
